

Another Way was founded in 1986 by a group of dedicated Inland Regional Center employees. This determined and caring group of individuals became frustrated and concerned as they witnessed some of their most vulnerable clients struggling to pay for the basics. In response, employees mobilized, formed a committee, called themselves Another Way and began to give willingly of their time and resources.

Staff envisioned the program acting as a safety net for families in crisis and as a resource to families in need. With hard work this vision became reality and for the last 31 years, children and adults having intellectual and developmental disabilities have received monetary support from Another Way to help pay for rent, utilities, food, mobility equipment, medications, dental work, burials and other such necessities.

Another Way's purpose is to fund the unmet emergency needs of Inland Regional Center consumers and their family members who meet its financial criteria and who are ineligible for assistance from the existing network of community resources.

Sponsor a child this Holiday Season!

Another Way is encouraging all golfers to donate a \$20 gift card to Target or Wal-Mart in addition to their entry fee to help a child in need. The gift cards will benefit children who are low-income and have a disabling condition. Gift cards will be distributed at the Another Way Toy Drive in December.

Every golfer who donates will be entered into a raffle for a Bushnell Rangefinder Golf Watch. Five will be awarded.
